Feb.

Our dearest old Wabs,

Well, here I am
at last writing you a long over-due
letter. We received your letter at
xmas, and once, more I was
conscience-stricken for not writing
more often. Never mind I am
sending the latest photos of the
kids, to you taken especially for
you. as you will see they are
now three bonny kids and
young Albert is two on the 23rd Feb.
so they are all growing up.
Albert, young Albert J. is a
proper boy. He is big and very
solid, he is frightened of
nothing, in fact he has led me
a devil of a dance. but I am
hoping he is getting some sense
now. Shirley is a big girl now.
Turnell three last Nov., big for

her age and not nearly so
catty as she used to be. Rex is a
big boy now, just the same
as ever; is in std. II now and
is going on for nine. Now
there is only Cecil and I left. We
are just the same too, a couple
of years older; that is all. I suppose
you have had a letter from
Mum, telling you all about
Lindsay and Dulcie's wedding.
It all went off well, but not so
the honeymoon. eh? Nevermind
these obstacles (obstructions?) always
pop up when you least expect them.
By the time you get this, Lin
& his wife will be an old
married couple.

Well, Wabs, I will not write
of home or the folks down
there because I know Mum
is a pretty faithful letterwriter
so I will concentrate on the
news here. Has Mum told

you Cecil sold our Chev. Coupe.
and now we have 1938 five
seater Chrysler. It is a lovely car
too and what a relief after
the coupe. Our family is growing
big (not numerically, Mr. Wabs)
and we were cramped for
room. I suppose Alumn has told
you that Wallace's are next
door to us. As I am writing this
Brighton is practising on his
accordian and doesn't seem
to be making much progress.

John Fischer has left here
now so Wintern Wallace has
got his job and is living
where Cliff McConnell used
to live. Remember?

Woodletts still manage to fly
around and splash as much
as ever. Mrs. Cliff is expecting.
if you please. so I do hope she
has better luck this time, don't you?

4.
Bonnie and Kebo are living
down in Charlie Fellows house.

They are a pair of hermits.

Do you know that Boy is engaged
after a whirlwind courtship of
about 6 wks. He is engaged to
a Miss Bass a school teacher at
Rotoiti. She is very nice and is
quite sociable too. Of course I
suppose you knew he was thrown
out of the Army after having his
Final send off and every thing.

Gordon C. is still working here.

Did you know I had said something
to him (quite innocently) and
he got the huff and then told
Leil about it 12 mths. after I said
it. I was so disgusted that I can't
be bothered with him now.

Well. Albert. I ^{now} just about
given you all the news. Every-
body at the other mill are
having babies again. Jimmy
Doan's are expecting No 3. So are

3.
Theobalds, Norma Tenton no 4.
but not me thanks goodness.

Well, Albert, this is Sunday
night and old Jack has just
popped in so I will have to close
as I can't concentrate. so if there is
anything I have forgotten I'll
just write another letter.

Love from all Youngs.
your loving sister Evelyn + x

P.S. Show the photos to Bert Hodge
will you Wabs. Also give him
our love. We have just had a
letter from him and Cecil will
write soon.
