Dear Conna.

As you probably already know, Grandpa passed away on the 20th Jan and I went to the funeral on 24th in Wellington.

The five sons all attended it was the first time for 30 yrs that we have all been together. I have a walking stick for you that was among Dads things - it is a real Malacca cane and belonged to my mothers father & is about 100 yrs old; and quite a valuable stick today. Mother went down as far as Kerikeri with me & is staying for Grammys birthday on 1st Feb. Will call & see you the first time we are down. Love from us all
Dad.
