Dear Mrs Tunnington

I have been given your name by Mr and Mrs Louis Prouse, of Queens Road Levin, as I am researching the history of Wainui-O-Mata and they felt you might be of some assistance.

Apparently you know of a young lady who, at one time, resided on The Terrace in Wellington in the house originally occupied by John Prouse, the singer and brother to Mr Louis Prouse's Grandfather James.

I understand that this lady did quite a bit of research on John Prouse, and I would very much like to contact her in respect of same. Accordingly, would you mind, please, advising me of her address? Mrs Louis Prouse could not remember it, offhand, but felt sure that you would be able to help.

I trust that the above will be in order, and I look forward to hearing from you in due course.

Yours sincerely

V G Alexander
