WAIKANAE

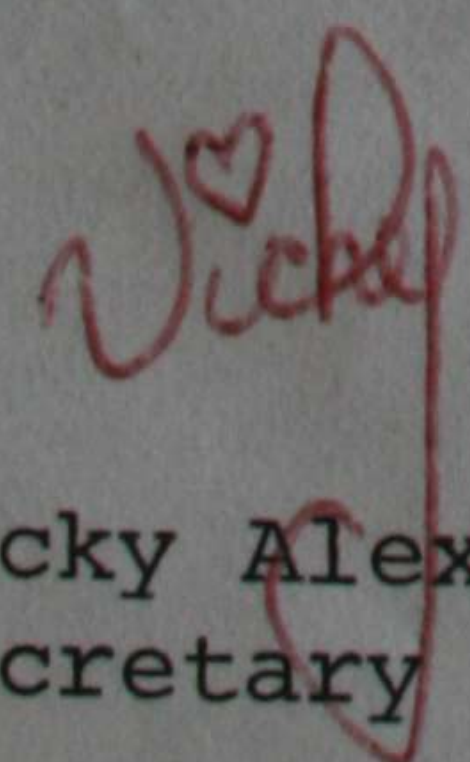

Dear Chris

I have been asked by our Historical Society Committee to invite you to visit Wainui-O-Mata, and more specifically the site of the Sinclair Family Cemetery, in the near future, in the hope that you may be able to assist with correct plot orientation.

Unfortunately, despite on-going searches of archives and Lands & Survey maps, reference to the Cemetery has not come to hand, and as we are keen to see the restoration as correct as possible, your possible assistance would be most welcome.

We appreciate that you feel your sensory powers are not what they once were, but we would like to take this chance and, accordingly, we are prepared to contribute towards the cost of your travel and, if necessary, accommodation, to the Valley. We trust that you will give this request your favourable consideration, and that we may look forward to hearing from you accordingly in the near future.

Yours sincerely

Vicky Alexander (Mrs)
Secretary

PS Chris - I didn't drop in a couple of weeks back as I had no fresh news, but have now located Hugh Sinclair's Will and his and his Sister Isabella's dates of death.
Hope to hear from you soon.
